Now for the fine print! Any claims related to the carriage of passengers are subject to the jurisdiction of the courts in the country where the carriage was or should have been performed. Other claims related to the Pass are subject to the jurisdiction of Dutch courts only. See the Conditions of Use on interrail.eu for more information.

How to use your Pass

Check out the Interrail Pass Guide for more info: interrail.eu/en/info

1 Before your first journey of the day, always record the date on which you're travelling on the **Travel Calendar** (Flexi Pass only). The **Travel Calendar** is printed on your Pass, which is attached to this Pass Cover.

2 Before boarding each new train, bus or ferry, record the journey details in the **Rail Planner app** or in the **My Trip section** included in this Pass Cover. If you run out of space, you can download extra lines on interrail.eu/en/info

3 Always use a non-erasable pen (no pencil) to record the date on your **Travel Calendar** and/or your journeys in the **My Trip section**. Once you've recorded the date in the **Travel Calendar**, you cannot change it.

4 For ticket inspections, always keep your Pass and passport (or ID card) at hand. Are you recording your journey details in the **Rail Planner app**? Then remember to show your mobile phone too.

Follow the steps on how to use your Pass to make the most of your adventure

Before you board each new train, bus or ferry; be sure to record the details of each trip. Your Pass is not valid without these essential journey details.

Record the details of every journey you take in the My Trip section below or record your journeys in the Rail Planner app (and travel at the push of a button). The choice is yours but choose with care! It is not possible to change how you record your journeys once you've started to travel. Check out this link for more information: interrail.eu/en/info

To travel with a Global Pass in your country of residence, record the outbound and inbound date here and in your Travel Calendar (Flexi Pass only) - even if you have chosen to record your journeys in the Rail Planner app. You can take these journeys in any order.
